## Salisbury Super Club

Super Club runs throughout the year on Sunday mornings, but we like to kick off the new year with something special! Just before school returns we run our Holiday Super Club – a week jam-packed with SUPER fun activities for school aged kids!

Every day runs from 9:00am to 12:30pm and includes games, songs, stories and craft with morning tea and lunch provided.

Registration is open to school aged children. Super Club is FREE service we provide to our community. It is staffed by volunteers from Salisbury Christian Assembly, all of whom hold current blue cards.
